

The Town of Cromwell Farmers Market is conveniently located on the Connecticut River at the scenic Riverport Park. The Town of Cromwell Farmers Market aims to support the local economy, enrich the quality of life in our Town, and promote the public health and environmental benefits of eating local and Connecticut’s sustainable agriculture.

Every Friday from 4:00 p.m. to 7:00 p.m. from June 5 through September 4, the Town of Cromwell Farmers Market becomes the “Town Square” for our community.

With average crowds of approximately 850 + people weekly and our other Town events at this same location throughout the season, the Town of Cromwell Farmers Market is a community favorite! In addition to farm-fresh vegetables, locally sourced products, and artisans, there are food trucks, vendors and live music.

The Mission of the Town of Cromwell Farmers Market:

- Support the local economy by providing fruits, vegetables, and other products directly to the consumer from the producer.
- Enrich the quality of life in Cromwell through the additional venue for community interaction in a public space.
- Broaden public health and environmental benefits of sustainable agriculture in Connecticut.

The Town of Cromwell Farmers Market operates under the umbrella of the Town of Cromwell and is overseen by the Recreation Department.
